for **State Representative**

## Chris Dietz's Plan to Change Harrisburg

### Reform Harrisburg

Increase transparency, put an end to automatic pay raises, and work to impose campaign finance & term limits.

### Improve our Schools

Fight to improve our schools and ensure that more of our state dollars go to public schools to keep property taxes low.

### Help Businesses Create Jobs

Help small businesses and entrepreneurs with lower taxes, less red tape, and easier access to startup loans and technology.

### Protect our Quality of Life

Refuse campaign contributions from Marcellus Shale gas companies that have spent millions lobbying legislators to strip local communities of our right to protect homes, schools and water sources from nearby drilling.

Chris doesn't just talk about reform – he delivers. While on Millersburg Borough Council, Chris refused to take a taxpayer salary in order to reduce taxes on residents during lean budget years.<sup>i</sup>
